Our Mission

Make Medicare education free, accessible, and easy to understand for every American.

About EnrollMedicare.com

EnrollMedicare.com is the nation's largest privately held Medicare education resource. We provide free, unbiased information to help first-time Medicare enrollees understand their options and make confident decisions about their healthcare coverage.

Unlike insurance brokers or government agencies, EnrollMedicare.com focuses purely on education. Our platform covers every ZIP code in America with localized information about Medicare plans, enrollment periods, costs, and local resources.

What We Offer

- **Local Medicare Guides** — City and ZIP-specific pages with relevant plan info and resources
- **Educational Articles** — In-depth guides on Medicare basics, enrollment, and costs
- **Free Calculators** — Tools for IRMAA surcharges, Part B penalties, and eligibility
- **Medicare Glossary** — Plain-English definitions of Medicare terminology
- **Video Library** — Short explainer videos on key Medicare topics
- **2026 Enrollment Guide** — Comprehensive PDF guide updated annually
